

# *The new Waycross College ID # is here!*

---

Waycross College has transitioned to the use of a new unique identifier as a primary way to identify Waycross College constituents. This unique identifier replaced the use of the Social Security Number (SSN) and has been assigned to Waycross College faculty, staff and students. This ID number will be used across computer systems, applications, and many business processes throughout the lifetime of an individual's association with the College. Of most importance, it has replaced the use of the SSN in Banner for registration purposes.

The change to an alternate ID number was an important step in the continuing efforts to reduce the risk of identity theft for the campus community. The new Waycross College ID is a 9-digit number beginning with 933 ( in the format 933XXXXXX ).
