

The BayLeaf

Waycross College Library

Volume 8 Issue 1

Spring 2009

Carnitas

2lb 4 oz/1kg pork, such as lean belly
 1 onion, chopped
 1 garlic bulb, cut in half
 1/2 tsp ground cumin
 2 meat stock cubes
 2 bay leaves
 salt and pepper
 fresh chili strips, to garnish
 salsa of your choice, to serve

1. Place the pork in a heavy-bottom skillet with the onion, garlic, cumin, stock cubes, and bay leaves. Add just enough water to cover. Bring to a boil, then reduce the heat to very low. Skim off the foam and scum that forms on the surface.
2. Simmer very gently for 2 hours, or until the meat is cooked through and tender. Remove the skillet from the heat and let the meat cool in the cooking liquid.
3. Remove the meat from the skillet with a slotted spoon. Cut off any rind (roast separately to make cracklings). Cut the meat into bite-size pieces and season to taste with salt and pepper. Reserve 1 1/4 cups of the cooking liquid.
4. Brown the meat in a heavy-bottom skillet for 15 minutes to cook out the fat. Add the reserved cooking liquid and reduce heat. Cover and cook for an additional 15 minutes, turning the meat occasionally.
5. Transfer the meat to a serving dish and garnish with chili strips. Serve with salsa.

From the *Greatest Ever Low Carb* by Parragon Publishing. This and other great cookbooks can be found at Waycross College Library.

We hope your holidays were wonderful! Meagan Claire Ellis was the recipient of the lovely candle lantern Waycross College Library was giving away before the holidays.

Enjoy, Meagan!

UPCOMING 2009

Meet Georgia author, Andy Harp, at noon on March 10th in the Dye Building for an exciting presentation and book signing.

Col. Harp has written *A Northern Thunder*, a techno-thriller whose protagonist Will Parker, living the quiet life as an attorney and Marine reservist in Vienna, Georgia, undertakes a dangerous mission in North Korea for the U.S. government.

Andy Harp will talk about his book, his military background in the Marine Corp, Korea and Juche, and many other interesting topics.

Library Q & A

Q. Why can't I get into Galileo from my home computer?

A. You need a password to access Galileo from your home computer. The password changes every semester. Go to the library catalog on the library's homepage and click on the link, **Get Galileo Password**. Enter your student ID number as your patron barcode or enter your social security number and last name. Log on and follow the prompt to access the current password.

Don't Forget-

National Library Week is April 12th through the 19th.

We will have fun events and a writing contest.

Stop by the Circulation Desk for details!

Virtual Library Tour

If you are a new student, you may want to take the virtual library tour on the library home page. You will need a headphone to hear the narration. If you do not have your own headphone, there is a limited number of headphones available at the Circulation Desk for student use. The Headphone Station is at the back of the library.

Cell Phones

The Library is a place of study and research. Good study practices require a quiet environment. In order to ensure a quality study atmosphere, cell phones must be turned to "silent" and conversations are to be taken outside. Thank you for your consideration of others.

Library Cards

Your student ID is also your library card. You need to have this ID in order to borrow anything from the library or order books from other USG libraries. Some local businesses even offer discounts to students with valid ID. See Nancy Allen in the Dye Building (Building F) to get your library card- it only takes a few minutes.

Group Computers

Waycross College Library now has group computers for academic use!
The Conference room has a computer that is reserved for groups of 3 or more and the two computers outside the Conference room are for groups of 2 or more. Ask for assistance at the Circulation Desk.

Library Hours for Spring Semester 2009

Sunday

2:00-6:00 PM

Monday through Thursday

7:30 AM-8:30 PM

Friday

7:30 AM-5:00 PM

Saturday

CLOSED

We will be
CLOSED
on the following
Sundays:

March 22nd
&
